

Announcing the 2023 SECTION 179 Expense Allowance...

UPGRADE YOUR REHAB EQUIPMENT FLEET THIS YEAR

What Does This Mean?

Section 179 allows your company to **deduct the full cost** of qualifying new, or newly purchased used equipment, **up to \$1,160,000** from your 2023 taxes. Equipment must be purchased and put into service by December 31, 2023. **This year's spending cap is \$2,890,000.**

Further, the Bonus Depreciation Incentive offered in 2022, is now starting to phase out and is at **80% in 2023** (vs. 100% in 2022), and will decrease to 60% in 2024.

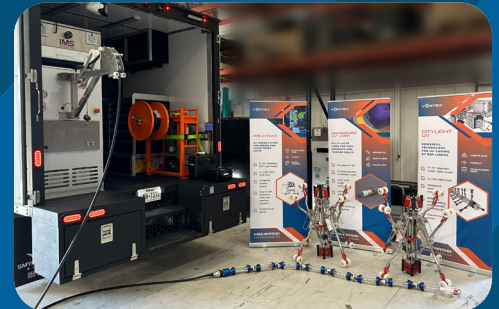

NOTE: Tax rules will be dependent on your specific tax situation. Please consult your tax advisor.
