WHAT IS HGACBUY?

WE ELIMINATE THE BID PROCESS

HGACBuy is a "Government-to-Government" procurement service available nationwide. Governmental entities have been procuring products and services through HGACBuy for over 30 years. All contracts available to members of HGACBuy have been awarded by virtue of a public competitive procurement process compliant with state statutes.

HGACBuy's role is to conduct product research and surveys, write technical specifications, conduct pre-bid conferences, open bids, and evaluate responses. After contracts are awarded by the HGACBuy committee, HGACBuy certifies contract validity, and administers contracts.

All units of local government, including non-profits providing governmental services, are eligible to join HGACBuy.

USING THE HGACBUY PROGRAM

It's simple, and once you are a member of the program, the steps to purchasing competitively bid products and services, takes no time at all:

- 1) Execute the HGACBuy Inter-Local Contract (ILC).
- 2) Obtain information on the specific Vortex product or services required from the HGACBuy website. Then, contact a Vortex representative to finalize the price quotation.
- 3) Prepare and submit your Purchase Order directly to Vortex. Then fax or mail a copy of the P.O. and quote to HGACBuy.
- 4) On all contracts, once a copy of the purchase order is received, HGACBuy staff sends an Order Confirmation to you and Vortex — authorizing to process the order.
